of Biochemistry & Molecular Biology

The Egyptian National Committee of Biochemistry and Molecular Biology

Announces

The 18th International Conference of Biochemistry and Molecular Biology

“Towards a Better Future for Humanity”

September 16-17, 2023

Under the Patronage of

Prof. Dr. Mahmoud Mohamed Sakr

President of the Academy of Scientific Research and Technology

Prof. Dr. Hassan M. E. Azzazy

Chairman of the Conference

Chairman of the Egyptian National Committee for Biochemistry and Molecular Biology

Conference Topics

- a) Bio/Nanomedicine
- b) Egyptian Genome Project
- c) Brain Research/Neuroscience
- d) Climate Change Challenges
- e) Biotechnology for Agricultural Sustainability
- f) Food Safety

Registration Fees	Early (till May 15)	Late (after May 15)
Students	L.E. 300	L.E. 400
Researchers	L.E. 500	L.E. 700
Non-Egyptians	\$200	\$300

Remarks:

- This is a hybrid conference:
 - First day of the conference (Saturday September 16) will be hosted at the Academy of Scientific Research & Technology, 101 Kasr Eleiny St., Cairo, Egypt
 - Second day of the conference (Sunday September 17) will be done via Zoom (link will be sent to all registered participants by email).
- For conference registration, please submit your personal information and presentation details (if applicable) using the following link:
<https://forms.gle/soh6HUL1XQq8uSgk6>
